

Hello Central West Walla Parents,

There are 2 Walla Gala Days scheduled for each Sunday starting this coming weekend. Each club will be invited to a designated Gala Days to ensure we keep total people (Inc players) in attendance at each Gala Day well below the limit of 500.

We need your help to ensure that we do not breach this limit:

1. Where possible please plan on only one (1) parent attending, regardless of how many children you may have participating at a Gala Day.
2. Where possible do not bring non-playing siblings.
3. No additional spectators are permitted (e.g. grandparents, friends).
4. Be sure to record you and your children's name and contact number/s on the forms provided by the host club.
5. If you or your children have visited Victoria in the last 14 days or any of the locations on this list <https://www.nsw.gov.au/covid-19/latest-news-and-updates> you are not permitted to participate in Walla Rugby until you have been in contact with NSW Health and been approved to recommence your participation. This applies to officials also.
6. Please bring your own labelled water bottles for players.
7. Please follow the 1.5m social distancing measures. Note: members of the same household are not required to socially distance.
8. Be sure to use the handwashing and sanitising facilities supplied by the host club.
9. Ensure balls and tackle pads etc are cleaned between games and/or warm-ups.
10. Host clubs will advise attending club's what catering facilities will be in operation at their Gala Day in advance. Pls support those club's operating canteens.
11. Please work with the Covid Safety Officers at each Gala Day and follow their directions. Please remember that they are all volunteers and they too are striving for a safe and enjoyable rugby experience for both you and your child. Every little Walla I have spoken to is absolutely raring to play: let's be disciplined in following these guidelines so that we may play all of the Gala Day rounds.

Thanks in advance for your help.
